British Modified Class

We have changed replaced the Race Prepared class with a British Modified class. This class is for British cars that have undergone **extensive** modification. The modifications can include body work, interior modifications or engine replacements. It is **not** for the car that just has aftermarket carbs, hotter cam or a similar to stock engine (MGB engine in an MGA). It does include cars that have a Ford or Chevrolet engine.

Diamond in the Rough Class

Diamond in the Rough Rules:

1. Cars must be licensed and insured
2. Cars must be driven onto the display field from the Marriott parking lot
3. Owners pay the usual All British registration fee(s)
4. Cars register in the Diamond in the Rough class

The cars in this class will not be judged on quality of their condition. The All British Committee will select the cars to receive the awards. Three \$100 cash awards will be given to three different cars to assist the owners with their car hobby.

We are a chapter of the North America MGB Register.
