## KC All British Committee Volunteer Becomes Internationally Published Author

Congratulations to Steve Olson on having an article on adding a third brake light to a Triumph TR8 published in the English TR magazine.

For those of you that might not know, Steve has been a steady contributor of monthly articles to both the KCMGCC newsletter as well as the Triumph newsletter. His articles are always informative and frequently quite humorous. He has also had several articles run in the NAMGBR magazine over the years.

## Next Committee Meeting

The next scheduled meeting for the committee will be on November 15, 2010.

We meet at Schlotsky's on Johnson Drive at 7:00 p.m. All are welcome to attend and share their ideas and help with the event. We need some new volunteers on the committee to insure that the event goes forward with good continuity.

## 15 Minutes of Fame?

Congratulations are also in order to John Boles who had a very nice article on his original unrestored MG TC published in the KC Star a few weeks ago. The article by automotive columnist Tom Strongman included some great photos of John's car "Henry,"

which I'm sure most of you are quite familiar with from the All British. John is also very active in the Midwest MGA Club as well as coordinating their help with registration at both the Heartland MG Regional and the KC All British.

## Looking Forward

Most of the LBC activities are over for this year except for various club Christmas parties and such. Looking forward to 2011 remember the area "Season Kick Off" meet in Olpe, KS. We'll get it on the calendar as soon as the date is announced. We try to include any events from all the area clubs in our calendar, so please keep us up to date on your plans.

**Kansas City Triumphs to host Vintage Triumph Register Meet.**

Word is out that the KC Triumphs have stepped up to host the VTR meet next year. For those of you with Triumphs or just interested in that marque, this will be one not to miss.

**Like Modified British Cars?**

The British V8 national meeting is scheduled for May 15 through 17 in Townsend, TN this year. Last year we had a great group which met in Indianapolis. Check the latest NAMGBR magazine "MGB Driver" for an article about this event.

**Midget 50 Plans on Hold**

Because of scheduling problems caused by a late scheduled NASCAR event at Elkhart Lake the planned time for the Midget 50 Reunion has to be rescheduled. No dates have been published yet. Those interested can keep up with the latest developments at the Sprite and Midget Club website <http://www.sprite-midgetclub.org/>

For those of you with Sprites and Midgets this event will be a great time. We met two years ago at Lake of the Ozarks and had a great time with around 70 Spridgets in attendance from all around the country.

The only MEMBER RUN organization for MGB, Midget & 1100/1300 owners
